Mojo India Pale Ale

Mojo India Pale Ale is pale in color but packed with flavor. Mojo reflects the perfect balance of hop bitterness and malt character. The unique Amarillo hop creates a big citrus flavor with an ultra-crisp dry finish.

Availability: 6 pack bottles.

Hazed and Infused

Hazed and Infused is “Hazed” in its natural unfiltered state, and “infused” (through a process known as dry-hopping, in which extra hops are added to the brew during fermentation) for a big, bold, unique taste.

Availability: 6 pack bottles.

Never Summer Ale

Never Summer Ale is a bold new look at winter beers: gutsy, full-bodied and an aggressive fusion of secret spices. Like the first run of the day, this ale is deep and clean, crisp and drinkable, perfectly blended for a smooth ride... through the Looking Glass. A perfect brew for the “drinking town with a skiing problem.”
