## Final Absolution Belgian Style Trippel

Dragonmead's signature product! This is the ultimate Belgian style. The very high gravity of this beer is balanced by the smoothness of its finish. Banana and Clove aromas come from the Belgian yeast strain combining with the generous dose of Belgian Candi Sugar. The Saaz hops help to give this beer a balanced bitterness with no noticeable hop aroma.

*Availability: 6 pack bottles, 1/2 Kegs and 1/6 Kegs.*

## Sir William's Extra Special Bitter

Another fine example of the English style. This Bitter is more robust than the best bitter but still with an excellent balance between hops and malt. Pale Ale Malt along with Aromatic and Crystal malts combine with the Galena and Fuggles hops to create a sure-fire favorite.

*Availability: 6 pack bottles, 1/2 Kegs and 1/6 Kegs.*

## Under the Kilt Wee Heavy

Produced in the style of a Scottish Export Ale this beer is big on taste and body. Imported Scottish Ale Malt is combined with Roasted Barley and Crystal malt to give this beer a unique taste and aroma. Golding and Fuggles Hops help to balance out the taste of this unique beer.

*Availability: 6 pack bottles, 1/2 Kegs and 1/6 Kegs.*

## Crown Jewels IPA

Pours a clear amber color with a short white head.

Scent of hops, citrus, some sugars, tea, and caramel malts. Nice balance of hops and malts. Taste of caramel malts, faint hops, a hint of earth, and some citrus. A nice, simple and balanced English IPA.

*Availability: 6 pack bottles, 1/2 Kegs and 1/6 Kegs.*
